

Paige Bendall

FRONT END DEVELOPER

Profile

I am a recently graduated Front end developer committed to continuous learning and keeping up to date with the latest technologies in software development. I am also committed to problem solving and adapting to new challenges whilst being highly coachable and capable of working both independently and as part of a team, working to and meeting strict deadlines.

Employment History

Pharmacy Dispenser, Knights Pharmacies, Swansea

SEPTEMBER 2018 – PRESENT

The role involved dispensing medications, checking prescriptions, and liaising with patients and surgeries. Responsibilities include using pharmacy software for data entry and inventory, and collaborating with staff for efficient daily operations.

Education

Level 5 Diploma in Full Stack Web Application Development, Cardiff and Vale College, Remote Learning

JULY 2022 – OCTOBER 2023

This year long education allowed me to learn the ropes and advanced concepts of HTML, CSS, JavaScript and Python, alongside frameworks, database management and libraries to complement them. I completed four projects utilizing the skills learned, which can be found in my pinned repositories on my Github.

Volunteer Work

Web Developer - Scottish Tech Army

DECEMBER 2023 – PRESENT

Digitalisation of the Third-Sector through Scottish Tech Army, my role is to liaise with clients working with charities to determine their needs for a website to be built. And following this, build it to their specifications This is done through Wordpress utilising Elementor with documentation and processes kept through Jira.

Projects

Fitness Application

A Personal fitness app using React and RapidAPI.
